Still Time for Christmas Delivery!

The Gift Superb

Brought Within the Reach of Every Home—

"Conreid" Player-Piano

on the economical selling plan of a—

Gimbel Piano Club

wherein, after making large savings through tremendous buying and the inexpensive way of selling, we banish interest and all annoying "extras" and name one comprehensive price—

\$395

No Interest : No Extras : Free Delivery : Free Bench : Free Tuning

Pianos of full seven-and-a-third octaves; player action one of the country's best. Piano has bell-metal plate; over-strung copper-wound strings. The MAHOGANY CASE is double-veneered throughout.

Supply of Music Rolls can be included in the arrangement

Some are timid about entering an obligation running so long. To meet that fear, we add this provision:

We Send the Player-Piano Home on a First Payment of as Little as \$10

Then you pay the remainder at rate of \$2.50 weekly. This would give you 156 weeks to complete payment. Suppose at the end of a year you decided to pay the balance. You had paid \$10 at purchase, and \$2 times \$2.50—in all, \$14.00. The remainder would be \$235—equal to 152 weekly payments. The money would earn us 6 per cent. for the average time or 51 weeks, and you would be allowed \$15.75.

Under the Gimbel club plan we have distributed over two million dollars' worth of pianos, including the original Knabe, the Hardman, the piano of Grand Opera, and other instruments of the inner circle.

If you cannot visit the Store, will you fill in and mail us this coupon?

You Buy for Less Money in a Gimbel Club Than the Same or Equal Instrument Can be Bought for Anywhere Else, Even for Cash.
